Restoration Through Creativity: Inspiration from the Other Side Workshop.

This presentation will explore ideas about creativity, inspiration, the source, the veil, angels in religion, hospice/nearing death awareness, and the presence of angels. Barbara will share a story and illustrations from her new book: *How Do I Get There?* which will be available for purchase. Participants will have the opportunity to create at least one SoulCollage® card.

Barbara Trauger-Querry, MA, ATR, retired Art Therapist, worked at Hospice of the Western Reserve for 30 years. She met with patients at the bedside providing spiritual care. As hospice grew, Barbara created the art therapy program, practiced art therapy with patients at the bedside and in the art therapy studio. She additionally provided bereavement workshops, including *Fabric and Feelings*, and curated the ongoing art exhibit in the Gallery Walk.

Barbara has lectured internationally, nationally, statewide, and locally, including Tri-C. She is a SoulCollage® Facilitator, lectures, writes, and continues to create her own artwork.
