

# CALL for ART

The 24<sup>th</sup> Annual Ursuline College/Cuyahoga Community College  
2025 Art Exhibition  
invites submissions for its February Art Show

## **Creative Resilience: Art's Role in Mental Health**

Entries may be in any visual media but must come ready to hang or display. Artists are encouraged to write a short reflection on the piece(s) submitted describing the personal significance of the artwork. Submissions should reflect some dimension of their experience.

This is not a juried exhibition. It is an open art show celebrating the artistic expressions of those who have found healing and inspiration from the creative process. There is no charge for submissions. Space is limited; however, so no more than two works should be submitted. Final presentation of artwork is at the discretion of the Cuyahoga Community College gallery director. Contact Mary Sender (440-506-9911) or Pat Janosko (440-646-8139) for more information.
